| Embossed decoration:   | Tanganika Walnut or Walnut              |
| Guide/Runners:         | Aluminum runners with slowmotion system |

# Passion

*La parola passione è adoperata per riferirsi ad un'emozione che è più forte di noi, che in un certo senso si subisce, come nell'espressione "avere una passione per qualche cosa".*

*La passione amorosa è il paradosso che vede la ragione scontrarsi con il desiderio dell'altro.*

*Il bisogno della presenza è così forte da trasformarsi in assenza, questo proprio perché la sensazione che soggiace al sentimento passionale è il pensare di non conoscere mai abbastanza l'oggetto dei propri desideri. L'oggetto/soggetto passione è indecifrabile e mai conoscibile fino in fondo.*

*Un enigma, un mistero che mai finirà. La passione è una "stregoneria" da cui non si può fuggire.*

*La passione è qualcosa che si subisce ma per quanto razionalizzata è impossibile sfuggirvi.*

*The word Passion is used to express a feeling which is stronger than us, that in a certain sense, one suffers, as in "have a passion for something."*

*The passion of love is the paradox that sees conflict with the right desire.*

*The need for presence is so strong it is transformed into absence, this precisely because the feeling that underlies the passion is thinking of not knowing enough of the object of their desires.*

*Passion is indecipherable and we will never fully understand it.*

*An enigma, a mystery that never ends.*

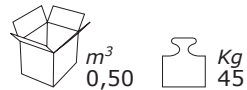

*Passion is a spell from which one can not escape.*

*Passion is something that you have to give into and is impossible to escape.*

| <i>Euro</i> |
|-------------|
| € 280,00    |

- 1)** I prezzi indicati nel listino sono espressi in Euro I.V.A. esclusa. La resa della merce è da intendersi sempre franco fabbrica salvo diverso accordo al momento dell’ordine.
- 2)** Eventuali modifiche riguardanti la costruzione e la finitura dei modelli, previa accettazione della Nostra società, comporteranno una maggiorazione minima sul prezzo di listino del 20%. Per richieste che implicino particolari difficoltà tecniche la maggiorazione rispetto al prezzo di listino potrà essere anche superiore al 50%.
- 3)** Ogni prodotto viene imballato con materiale appropriato (cartone-poliuretano espanso) a seconda delle necessità. Eventuali imballi speciali vanno concordati con la Ns. Società’ al momento dell’ordine. Il costo per gli imballi speciali verrà comunicato al momento dell’ordine.
- 4)** La conformità alle finiture riportate sulla tabella colori non deve essere intesa in senso tassativo, può sussistere margine di tolleranza sia per quanto riguarda i colori dei tessuti, delle pelli o delle parti verniciate, che i materiali, che le misure. Questo margine di tolleranza è determinato dal fatto che nel tempo, i materiali soggetti all’invecchiamento e all’esposizione alla luce possono subire variazioni di colore. Per questa ragione nelle forniture di completamento si possono verificare lievi differenze di tonalità che non possono, in nessun caso, costituire oggetto di contestazione.
- 5)** Possono sussistere leggere differenze di colore tra i campioni di finitura ed i prodotti finiti, queste differenze sono riconducibili a diverse cause: il tipo di legno che viene verniciato, l’ umidità’ dell’ aria, la luce e l’ artigianalita’ dei processi produttivi
- 6)** La Ns. Società si riserva il diritto di apportare ai propri prodotti, in qualsiasi momento, e preavvisando la clientela ove ritenuto opportuno, tutte le modifiche ritenute necessarie al miglioramento del prodotto.
- 7)** I termini di consegna sono sempre da considerarsi indicativi e mai vincolanti nei confronti dell’ acquirente. Eventuali ritardi di consegna non potranno dare luogo a risarcimento danni o alla risoluzione del contratto.
- 8)** Per qualsiasi controversia dovesse insorgere tra le parti, l’esclusivo foro competente è quello di Verona.

- 1)** The prices shown in the pricelist are in Euro, VAT excluded. The yield of goods are always to be understood ex works unless otherwise agreed upon at the moment of making the order.
- 2)** Any modifications concerning the construction and finishing of models, after acceptance in our company, will be subjected to a minimum price increase of 20%. For requests involving main technical difficulties the price increase could be in excess of 50% of the list price.
- 3)** Each product is packed with appropriate material (cardboard, polyurethane expanded) as needed. Any special packaging should be agreed with our company upon making the order. The cost for special packaging will be confirmed in the order confirmation.
- 4)** The samples contained in the finishes card are intended to be an example. There may be room for tolerance in the colors of both fabric and leather. It is possible to detect slight variations in tone between different lots of the same materials.
- In addition, materials that are aging and exposure to light may change their color. For this reason in the supply of completion orders slight color differences may be possible, these variations can not, under any circumstances, be the subject of dispute.
- 5)** There may be slight color differences between the samples of finish and finished products, these differences are due to several causes: the type of wood that is painted, the ‘humidity’ of ‘air, the light and’ “craftsmanship” of the polishing processes.
- 6)** Our Company reserves the right to make modifications deemed necessary to improve its own products at any time, notice of any changes will be given to customers where appropriate.
- 7)** The terms of delivery are always considered indicative and not binding in respect of the buyer. Any delay in delivery can not result in damages, refunds or termination of the contract.
- 8)** Any dispute arising between the parties, the exclusive jurisdiction is Verona.
